What was your overall first impression of the website?

I think it works well, has a nice layout. I feel that Nick could have done a little more for the overall design.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

I did not run into any difficulties while navigating the site.

What do you feel are the most effective design elements of this web portfolio?

I liked the color scheme and fonts used here.

What would you suggest be changed with the design or content of this web portfolio?

I'd like to see the creative boundaries pushed a little more. Maybe adding in some animations or a logo.
